

ENERGY Startup Day

innovative Startups | meet Industry

30. November 2017
11 a.m. - 6 p.m.
Technopark Zurich

The main goal of the event is

- to initiate collaboration for knowledge exchange between startups, incumbents, public institutions and new actors in the energy and cleantech field, while
- the focus goes beyond financial investments to foster collaborative development.

Place & Date

Thursday
30. November 2017
11 a.m. – 6 p.m.

Technopark Zurich
Auditorium

The event is aimed at

- **Startups and pre-startups** in the area of energy and cleantech that are looking for strategic partnerships in the energy sector.
- **Incumbent companies and public institutions** (technology companies, utilities, municipalities) who seek innovative solutions and potential collaboration with startups.
- **New actors** which aim to thrive in the transition of the energy industry.
